

Sophia Liang

sophia.liang@example.org | Languages: English, Mandarin | Track: Frontend | Experience: 4 years

PROFESSIONAL SUMMARY

Frontend developer with a passion for creating intuitive and visually appealing user interfaces. Skilled in modern JavaScript frameworks and responsive design.

EDUCATION

BSc in Software Engineering, University of British Columbia

SKILLS

HTML | CSS | JavaScript | React.js | Vue.js | Redux | Bootstrap | Tailwind CSS | Figma | Adobe XD | User Experience (UX) | User Interface (UI) | Cross-Browser Compatibility | Team Collaboration | Git | Webpack | Testing | Accessibility Standards

EXPERIENCE

Designed and built responsive web interfaces using React.js and Vue.js, enhancing user engagement by 20%. Collaborated with designers to translate wireframes and prototypes into fully functional web applications. Optimized website performance by implementing lazy loading and code splitting. Strong focus on creating accessible and cross-browser compatible designs. Proficient in using Git for version control and team collaboration.
