

Liam Rutherford

liam.rutherford@example.com | Languages: English, Spanish | Track: AI | Experience: 6 years

PROFESSIONAL SUMMARY

AI specialist with a focus on developing scalable machine learning models. Experienced in applying deep learning techniques to solve complex problems in natural language processing and computer vision.

EDUCATION

Master's in Computer Science, Stanford University

SKILLS

Python | TensorFlow | PyTorch | Machine Learning | Deep Learning | NLP | Computer Vision | Data Analysis | Data Visualization | R | Statistics | Big Data | Cloud Computing | AWS | Kubernetes | Problem Solving | Collaboration | Agile Development | SQL | Spark | Java | Time Management

EXPERIENCE

Liam has over six years of experience working on artificial intelligence projects. His expertise includes building predictive models, optimizing neural networks, and deploying AI solutions at scale. At his previous role, he led a team to develop a state-of-the-art NLP model that improved customer support automation by 40%. Liam is proficient in Python, TensorFlow, and PyTorch, with additional experience in cloud computing platforms like AWS.
