

Isabella Novak

isabella.novak@example.com | Languages: English, German | Track: AI | Experience: 5 years

PROFESSIONAL SUMMARY

AI researcher with a focus on reinforcement learning and optimizing decision-making algorithms for autonomous systems.

EDUCATION

PhD in Artificial Intelligence, Massachusetts Institute of Technology

SKILLS

Python | TensorFlow | PyTorch | Reinforcement Learning | Deep Learning | NLP | Data Analysis | Statistical Modeling | Mathematics | R | Big Data | Cloud Computing | AWS | Kubernetes | Problem Solving | Communication | Collaboration | Agile Development | SQL | Spark | Time Management | Critical Thinking

EXPERIENCE

Isabella is a dedicated AI researcher with expertise in reinforcement learning, particularly in applications involving autonomous decision-making systems. Her work has included optimizing algorithms for self-driving vehicles and robotic systems. Isabella has a strong academic and practical background, with a PhD from MIT focusing on AI. She is proficient in Python, TensorFlow, and PyTorch, and has published multiple papers in leading AI conferences.
