

Frontend Intern

Location: Munich, Germany | Type: Internship | Level: Internship | Salary: Competitive | Track: Frontend

About the Role

As a Frontend Intern at BMW Group, you will contribute to creating user-friendly interfaces for automotive applications. You will work in an agile team and gain valuable experience in frontend development within the automotive sector.

Requirements

- Basic knowledge of HTML, CSS, and JavaScript
- Understanding of responsive design principles
- Currently enrolled in a university program

Nice to Have

- Experience with frameworks like React or Vue
- Familiarity with version control systems like Git
- Knowledge of UI/UX design tools
