

Simulation Engineer Intern

Location: Munich, Germany | Type: Internship | Level: Internship | Salary: Competitive | Track: Simulation

About the Role

Idealworks GmbH is looking for a Simulation Engineer Intern to support simulation and testing of robotic systems. This role offers the chance to work on cutting-edge logistics solutions and gain practical experience in simulation environments.

Requirements

- Basic knowledge of simulation software
- Programming skills in Python or C++
- Currently pursuing a degree in robotics or related field

Nice to Have

- Experience with Gazebo or Unity
- Understanding of robotic control systems
- Knowledge of 3D modeling tools
