

Robotics Intern

Location: Munich, Germany | Type: Internship | Level: Internship | Salary: Competitive | Track: Robotics

About the Role

As a Robotics Intern at BMW Group, you will contribute to projects that explore advanced robotics solutions for automotive applications. You will work alongside experts and gain hands-on experience with cutting-edge technologies.

Requirements

- Basic knowledge of robotic systems
- Understanding of control algorithms
- Currently enrolled in a relevant university program

Nice to Have

- Experience with ROS (Robot Operating System)
- Knowledge of sensor integration
- Programming skills in C++ or Python
