

Frontend Developer

Location: Munich, Germany | Type: Full-time | Level: Mid-level | Salary: 55,000 - 75,000 EUR/year | Track: Frontend

About the Role

As a Frontend Developer at idealworks GmbH, you will build user interfaces for our robotics and logistics solutions. This role involves close collaboration with backend developers and designers to deliver seamless user experiences.

Requirements

- Proficiency in React or Vue
- Strong knowledge of HTML, CSS, and JavaScript
- Experience with responsive design

Nice to Have

- Familiarity with Webpack and Babel
- Knowledge of UI/UX best practices
- Experience with unit testing frameworks
