

Academy Operations Administrator

Location: Remote | Type: Part-time | Level: Junior | Salary: 30,000 - 40,000 EUR/year

About the Role

We are looking for an Academy Operations Administrator to support the day-to-day operations of inmind.ai's tech academy. You will handle administrative tasks, coordinate schedules, and ensure smooth communication across teams. This role is ideal for someone detail-oriented and passionate about supporting innovative education initiatives.

You'll work closely with instructors, developers, and students to ensure the academy runs efficiently and provides a high-quality learning experience. This is a part-time, remote-friendly role with flexible hours and exciting growth opportunities.

Requirements

- 1+ years of experience in administrative or operational roles
- Strong organizational and multitasking skills
- Proficiency in tools like Google Workspace or Microsoft Office
- Excellent written and verbal communication

Nice to Have

- Experience in education or tech industries
- Basic knowledge of AI concepts
- Familiarity with project management tools like Asana or Trello
